Main Entry – Front Doors

Once inside the main doors, the office is to the right.

If you are being dropped off to school late, you will need to sign in at the office.

If you are being picked up early, you will be called down to the office to meet your parent or guardian.

Our office staff are always
ready to help!

Say “Hello”
to Mrs. Thomson, our
Office Manager!

There are different ways to get to school.
How are you getting to school?

Bus students will be picked up from their busses and walk with a teacher to their entry lines.

Bus students are also walked to their bus lines at the end of the school day.

When you arrive at school, you might spend some time on the playground! Recess happens here, too.

When the bell rings, you line up in special place with your class. Your teacher will be there too!

Your classroom will be a lot like these pictures.
What do you see in the classrooms?

There is a bathroom attached to/near your classroom.

You will put your coat, shoes and backpack in your cubby/area. Some are in the classroom and some are in the hallway.

You will have two adults in your classroom.

One is an early childhood educator and one is a teacher. You will meet them the first day of school.

Lots of different things happen in your classroom.
You will sit together, hear stories, learn and play.

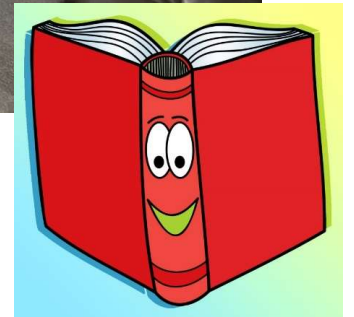

In Kindergarten, you will also learn about Math and begin your adventure as a reader!

Your school has a BIG gym to be active in.

There is also a library to borrow books from and enjoy books in with your teacher and friends.

If you have any questions, please do not hesitate to reach out to the school. We can be reached at 519-832-9077.
